

## 26/02/25 smugglers end cutscene ##

Flid street robbers running through senses  
chased by death knight  
wrong turn and emerge in abandoned district

You know well we cant go back lets find  
another entrance. He see a figure in the mist  
head over one side cackling the severed throater. Just back  
a SCREE a crunch or crastim skull  
the their vision goes black.

~~You~~ see two bodies on the ground a pool of
